

Therapeutic Riding

Following is the rider registration packet and schedule for the 2020 season.

- High Horses does not bill insurance.

About Our Program: High Horses is offering **seven-week** sessions for Winter 2, Early Spring, Spring, Summer & Winter 1 and an **eight-week** session for fall. We operate at 138 Horse Farm Road, Sharon, Vermont and have a wonderful staff of instructors and therapists along with a herd of kind, gentle horses and incredible volunteers. We offer five programs:

- Therapeutic riding is taught by our staff of certified instructors and focuses on horsemanship skills that incorporate educational, recreational, and psychosocial goals. Lessons may be private and run for one half hour, or they may be a small group of two or three riders and run for an hour. Our largest program
- Operation Unbridled Freedom offers equine assisted programs for veterans for help in dealing with the physical and psychological effects of war and the after effects of their service time. Working with horses can help people with many types of abilities meet and overcome physical, mental and psychological barriers including PTSD. This program is facilitated by a Marine Veteran. Both our TR program and Operation Unbridled Freedom can be geared for veterans. The VT VA has grants to pay for the 1st 10 visits along with grant money for continuing participants.
- Our Hippotherapy Program is staffed by our therapists and focuses on equine facilitated activities that address physical, occupational, or speech/language challenges. Hippotherapy lessons are private, forty-five minute lessons.
- Connections is designed to incorporate a mental health component and runs for one hour. This program is facilitated by a Licensed Social Worker. Great for those suffering from sexual trauma or physical abuse. A female only barn day can be arranged.
- Grey Horse Program is tailored to riders 50 years and over wanting to enjoy horseback riding to increase balance, flexibility and as a form of exercise.

***New Riders must attend New Rider Orientation Day.** This will be an opportunity to visit the site and meet with an instructor and/or therapist. Check below for the dates of these events and mark your calendars.

Lessons Begin Jan 6 March 2 April 27 June 29 Sept 1 Nov 2

Our Scheduling/Wait List Guidelines: High Horses requires:

- All riders submit a fully completed application packet before being considered for scheduling.
- All new riders meet with an instructor or therapist at new rider orientation before being considered for scheduling.

High Horses serves as many riders as we can safely and effectively accommodate. Those that we cannot accommodate, will be placed on our wait list and will be scheduled as soon as there is an *appropriate opening*. The High Horses staff and medical consultants are happy to discuss options with the riders and/or their families, but reserve the right to make the final decision regarding scheduling and placement.

Depending on a participant's needs and with respect to their safety and for the safety of our staff, volunteers and horses; participants may be scheduled for either private or group lessons, may ride with either a therapist or a certified instructor, or may be offered a spot in our un-mounted program.

An appropriate opening is defined as one where the needs of the rider will be safely and effectively met. Variables include the availability of staff, appropriate horse, volunteer assistants, and the rider's individual time constraints.

Lesson Policies:

- Once all riders have been mounted and class has started, latecomers will not be admitted
- Two absences without phone calls by 8am of lesson day may result in a rider being dropped from the program. Please call the barn phone at: 802-763-3281
- If riding lessons cannot be held due to rain or extreme heat, barn lessons will be offered instead
- High Horses does not offer make-up lessons
- If a rider is dropped from the program before the start of the fourth lesson, a pro-rated refund of the Rider's Fee will be available. After that time, refunds will not be made

Basic Rules for Participants and Visitors:

- Please drive slowly into the facility
- No smoking is allowed on site
- No dogs are allowed on site
- Please walk, use appropriate voices and avoid sudden movements particularly near the horses
- Refrain from using umbrellas near the horses and riding arena
- Do not approach or feed any animals unless accompanied by a High Horses staff or volunteer who has been given explicit permission by the instructor
- Closely supervise riders, siblings of riders, and visitors while waiting in the designated waiting/observation areas
- Remain outside the riding area at all times
- Ask permission from the instructor to take photos or use a flash camera
- Wait for an instructor, or specially trained volunteer to mount or dismount the riders

A caregiver must remain on site while their rider is participating in our program. In the rare instance that a rider is excused from the ring by the instructor because of behavioral problems or because the rider is not feeling well, High Horses cannot maintain responsibility for the care of that rider.

Dress requirements:

- Closed toe and closed heel shoes
- Approved helmet (provided on site)
- Shirt

Directions to Our Site:

High Horses TRP is located on 138 Horse Farm Rd, Sharon, VT. Take I 89 to the Sharon exit, take Route 132 to Route 14 then look for Fay Brook Rd. Horse Farm Rd is about a ¼ mile down Fay Brook Rd on Left.

PARTICIPATION GUIDELINES AND POLICIES

1. Referral by agencies, schools, parents, caregivers, self or health professionals must be made.
2. Conditions for Acceptance and Continuation:
 - a. Student shall:
 - 1) Complete all HHTRP enrollment forms annually; medical form MUST be resubmitted after any hospitalization, major illness, surgery, fracture, or seizure.
 - 2) Have sufficient tolerance to benefit from a period of sustained activity and be judged by a High Horses representative to be capable of benefiting from therapeutic riding.
 - b. HHTRP must:
 - 3) Have an appropriate opening for student's age, size and ability.
 - 4) Have a suitable horse available to meet rider's physical requirements (such as height, weight, muscle tone, etc.)
 - 5) Have trained staff capable of mounting and dismounting the rider safely.
 - c. HHTRP wait list policies apply to all riders.
3. Enrollment and Attendance:
 - a. New students enter under a trial enrollment period of 1-3 classes.
 - b. Students should arrive only early enough to obtain a helmet and be ready to mount at appointed time.
 - c. Students are expected to attend each class or notify the site coordinator in advance of an absence. (At least a 24-hour notice is requested whenever possible.) Three absences in a session are cause for review of student's placement. One unexcused absence or late arrival is cause for review. Unexcused absences or repeated late arrivals are cause for dismissal from the program.
 - d. High Horses must be notified prior to the lesson day if a student:
 - 1) Has had a seizure since the last lesson.
 - 2) Has been hospitalized for any reason.
 - 3) Has had a change in medication type or dosage that would affect behavior, safety or functioning while in class.
 - 4) Has undergone any change in the information on the medical form.
 - e. Students are required to pay all fees before the session begins. If there are scholarships or third party payers involved, students must notify HHTRP

PARTICIPATION GUIDELINES AND POLICIES

- f. The adult who is responsible for the rider must remain on-site for the duration of the lesson.
4. Contraindications to Participation:
- a. Seizure disorders unless controlled medically.
 - b. Atlanto-axial instability.
 - c. Uncontrolled and/or unmanageable behavior.
 - d. Unstable spine.
 - e. Spontaneous fractures or recent fracture.
 - f. Recent surgery without subsequent physician's release.
5. Mandatory Apparel:
- a. ASTM-SEI approved riding helmet. Helmets will be provided but riders may purchase their own. High Horses staff will verify fit. If the rider uses their own helmet, proof of manufactured date is required to verify that the helmet is no more than 5 years old.
 - b. Shoes must have closed toes and heels.
6. Transportation:
- a. Shall be the responsibility of the rider.
 - b. Late arrival may result in inability to ride in class.

I have reviewed the list of precautions and contraindications to therapeutic horseback riding as listed on the following page. To my knowledge, there is no reason why this person cannot participate in supervised equine activities. However, I understand that High Horses will weigh the medical information above against existing precautions and contraindications, I concur with a review of this person's abilities/limitations by a licensed/credentialed health professional (e.g. PT, OT, SLP, Psychologist, etc) in the implementation of an effective equine activity program.
