

High Horses Spring Virtual Horse Show Prize List

October 2, 2021

Welcome to our open virtual horse show! Here is an opportunity to have your students compete in a horse show without the hassle of trailering nervous horses or riders to different environments. The idea behind the virtual horse show is for our riders to compete against others at different facilities in classes they can all enjoy. You just need to record your student riding the pattern/test or trail pattern and upload it to our private Facebook Page by October 1, 2021.
